Part #382

Variable Stroke
Barrel Pump

Retail Package

Lever style pump for light oils, kerosene and diesel. Pumps from 15-55 gallon pump

Features

- ❖ Powder coated silver gray steel construction with die cast aluminum head
- ❖ Heavy duty pump lever with rubber grip
- ◆ Includes non-drip attachment (New design)
- ❖ A Buna N seal is used under the packing nut as a wiper as the rod is lifted up
- ❖ Brass piston rings for long wear and oil additive resistance
- ❖ Will easily adapt from 15 to 55 gallon drums with telescoping pickup tube
- ❖ 15" from drum to outlet spout makes this pump taller than most models
- ❖ Unique variable stroke allows for easy transfer of varied viscosity fluids at a rate of 9 ½ to 15 ounces per stroke

Recommended for

- ✓ Light oils (Maximum 40 weight)
- ✓ Kerosene
- ✓ Diesel
- ✓ ATF
- ✓ Hydraulic fluid
- X Not suitable for water based products**

Applications

- Shop use for dispensing into small measures or open containers
- Best used to dispense fluids from drums to small containers

Number of boxes and contents

- All contents in 1 attractive retail box (3" x 7" x 21") (5 lb.)
- UPC Code 0 1595400382 3
- ◆ Indicates Improvement
