Cristal Summer Bug wash

WW
-2 °C

Number of revisions: 1

Date of last revision: June 1, 2008

Technical Information:

Physical state : Liquid
Appearance: Pink
Application:Bug Wash Fluid

This high quality non toxic bug wash removes dirt, bugs, road oils and grime. The effectiveness of bug wash fluid has been proven both in use and in extensive laboratory testing.

Hall-Chem Code: WW504
WHMIS CLASSIFICATION:
B2, D1B,

Specifications:

Typical properties	Typical Values	Limit Values	Test Method
Odor	Green apple	Green apple	Natural
Specific gravity 20 °C[g/ml]	0,994	Max. 0.994	ASTM D1122
Freezing Point [°C]	-2°C	Max -0.0°C	ASTM D1177
Ash Content [%](Mass)	0.7	Max 1.0	ASTM D1119
Boiling Point [°C]	79°C	Max. 80°C	ASTM D1120
pH	7,0	N/A	
Solubility in water (25°C) :	100.0%	N/A	

Packing:

*Plastic Containers 1100 L and Plastic Drums - 205 L * Plastic Containers of 4L

These data are based on our current knowledge, experience and technical equipment. They do not relieve customers of carrying out their own tests and experiments, due to the great diversity of possible effects in processing and application of our products. They do not imply any legally binding assurances of certain properties and applications. The recipients of our products ought to abide by the existing legislation and regulations as well as possible reserved rights.
