HIGH TACK ALL WEATHER BAR & CHAIN LUBRICANT

BRAD PENN[®] High Tack All Weather Bar & Chain Lubricant is a high quality multi-viscosity lubricant. It has been fortified with extra tackifiers to reduce dripping and sling off. Foam inhibitors minimize product foaming, while antiwear agents and detergents ensure longer bar, chain, and sprocket life. This product provides exceptional cold weather performance, as well as good high temperature performance, making it a true all-season product.

BRAD PENN[®] High Tack All Weather Bar & Chain Lubricant helps consolidate inventories and provide better lubricating performance for mechanical and automatic link chains in both summer and winter applications. It is the right choice for all makes of chain saws, motorcycles, and farm equipment, as well as industrial equipment applications that require a high quality bar and chain lubricant.
