MOULD RELEASE FOOD GRADE

- Food Grade Silicone Lubricant

TECHNICAL DATA SHEET

BENEFITS

- Meets FDA Regulation 21 CFR 178.3570 for incidental food contact.
- Accepted by Canadian Food Inspection Agency
- No chlorinated solvents
- Excellent for application up to 600°F
- Dry film will not attract dust or dirt
- Ideal for releasing moulded parts
- Fast evaporating

GENERAL INFORMATION

Use is ideal for applications involving rubber, metal parts and plastic. Resists salt sprays, steam and water. Treated surfaces and parts slide and glide easier without grease. Speeds up cleaning of food processing and kitchen equipment. Prevents sticking, binding and squeaking, as well as beautifying and water proofing.
